“ My husband and I first met Bruce during the summer of 1955 when he came to our apartment in Mechanicsburg to try to sell us some Northwestern Insurance -- which he did. However, he had to wait there while we went across Main Street to sign the paperwork to sell my car. That was one of the best purchases we ever made. My thoughts and prayers are with you at this time since Frank, my husband, died in January, 2016. Weren't we blessed to have had them with us for as long as we did. Sincerely, Ruth Kumler
