“ I remember pops babysitting me when I was 4 years old I loved him so much. We'd go outside everyday when the ice cream truck came around the block and he'd always buy me a ice cream. And we'd always play with my toy trains everyday. And I miss the bike rides we would go on. Rest easy pop ❤️

“ Very sorry for your loss. Was blessed to know this kindhearted and unselfish man all my years. Art never hesitated to offer his helping hand when called upon, and always had a smile for you. He was a great friend to my father for 60+ years, and I will always admire and cherish that friendship they shared. We have tons of memories to hold close to our hearts, as we will miss him dearly.

“ Jimmy, Bonnie and Family,
I am so sorry for your loss. We've lived next door to Art for more years than I can remember. He was a kind and gentle man. I'll miss seeing him riding his bike.
