

Betty Jane (Saul) Bennett

March 2, 1923 - July 6, 2025

On Sunday morning, July 6, 2025, Betty left this world and all of her friends and family behind because she had an appointment with God. Even though she had become frailer in the last couple months, her desire to live life to the fullest was expressed in everything she did.

Betty was born on March 2, 1923, in Harrisburg, Pennsylvania. She graduated from William Penn High School. During World War II, Betty participated in USO shows for the soldiers home on furlough. After the war, she met and married Jack Bennett. They had a wonderful marriage and traveled the world, making so many memories and some lifelong friends as a result of their travels. Their marriage lasted 71 years until Jack's death in 2018. Betty missed Jack immensely, but she loved life and being active, so she was able to learn to live a new life without him.

Betty retired from the Pennsylvania Department of Labor & Industry. She was a member of the Harrisburg Chapter No. 552 Order of the Eastern Star. She loved attending camp meetings throughout the area and singing in all the old hymns. She was an avid bowler and participated in state and national championships. Betty also loved the beach, and she and Jack would go "south" every winter for three months and rent a condo on Marco Island. She loved sharing memories of those years.

Betty was predeceased by her husband, Jack; her brother, Robert Saul; and her sister, Kathryn Tuckey. Betty and Jack had no children. She leaves behind a niece, Michele Bennett; and two nephews, Keith Bennett and Neil Bennett. She also leaves behind many good friends: Harvey & Peggy Knupp, Glenda Seesholtz, Linda Hummel, Carolynn Shenk, Megan Moore and Jackie Acri. Each friend enriched her life in various ways. Also during her last couple of months, she had invaluable caregivers: Bernadette Crosson, Helen James and Kelly Dean. These wonderful caregivers enabled Betty to stay in her own home.

In lieu of flowers, memorial contributions can be made to Bethesda Mission, Harrisburg, Pennsylvania.

“ It all started with my dad and Jack, I'm guessing almost 70+ years ago. They became best of friends. And then Jack met Betty. They were like family. I was born and later in life met Michael, my husband. They were like family to us. Betty, Jack and Kit always came to family get togethers. Betty always talked to me about how she loved Lancaster and all the good eats she found. Michael and I had Mikey and Alyssa and when we visited Betty and Jack, Mikey would always sit on Betty's lap. Mikey met Mackenzie and now they have a newborn child. Betty was so excited about the arrival of Daphne Kristine Leong. After Jack passed away and I visited her, we would talk about family, my dad and Jack, vacation and my grandfather in Florida, whom Betty and Jack knew from vacationing at Marco Island in Florida. Betty witnessed 4 generations of our family. She was an extraordinary lady and I will always cherish her forever. Love you so much, Betty!
