

Carol J. Fogg

March 30, 1938 - April 20, 2024

We are saddened to announce the passing of Carol Ann Fogg née Jenks on Saturday April 20th from complications of her long battle with Alzheimer's disease. Carol was a devoted wife, sister, mother, grandmother and great grandmother. Born in 1938 in California to Paul H. and Clara M. Jenks, she graduated from Red Bluff High School and was a proud alumna of Mills College, receiving her Bachelor of Arts degree in child psychology in 1960. In 1958 she wed George E. Fogg.

She is survived by their three children (Linda K. Parrish (John E.), Michael W. Fogg, and Laura F. Zimmermann (Robert A.)); six grandchildren Sarah and Julia Fogg, Helena and Kyle Zimmermann, Megan Bowden (Stuart) and John Carrothers; and three great-grandchildren Serenity, Chase and Joshua Bowden. Carol married John W. Reitmeyer in June 1990 and they spent many joyous years together singing and traveling. She is also survived by John's daughter Gail M. Kepner (Rick L.). She was preceded in death by her sister Harley J. Davidson (Jack D.), John's daughter Nancy J. Beatty (Ronald E.) and Michael's wife (Janet E. Fogg).

Before the ravages of a 20 year fight against Alzheimer's, Carol was the backbone of her family and a devoted friend to all who knew her. She loved her family, singing with John in local choral societies, reading books, traveling, and was a superb quilter.

A family celebration of Carol's life will be held at a future date. Please consider making a memorial contribution in her name to the Alzheimer's Association at <https://www.alz.org> (<https://www.alz.org/>). She is now free to rest with her beloved John, singing requiems in heaven while looking down to cheer on her family and friends. We will miss you.

“ Dear family members, please accept our condolences on the passing of our friend Carol Fogg. Wilson and Gale have wonderful memories of the times we spent with Carol and the family. Carol and I (Gale) worked together for many years at the PUC and even gambled and won a small lottery. We attended choral concerts in which John and Carol participated. We attended Carol and John’s wedding and many family events and parties at their house. We attended many of the Greek Festivals together and ate too many desserts! I remember having Carol at our house for a day and we gardened together. She had a great day.
