“ I have many fond memories of uncle Wayne. He was a great role model and someone we always looked up to. He was always up on the latest technology and Louisa and I even helped him make his Facebook page. He had a great sense of humor and always smiling 😊. He will be very missed but he did live a very long and healthy life and had no regrets. Deepest condolences to all his family and friends.

I am not sure what to say. I am out of the country and didn't want this to happen while I am away. My plans were to be there at the funeral. I have always looked up to Uncle Wayne. We had been in contact on a regular basis. I told him he could live until 100+ but he didn't want to and He was ready to move on. He had an amazing, highly active and social loooong life. His social life was more active than mine! I hope his friends are hanging in there - Joann, Etna, Ron and family members, stay strong and remember Wayne's smile and sense of humor he will never be forgotten.
