

David S. Cohen

May 4, 1952 - April 22, 2023

Dave died peacefully at home on April 22nd after a battle with esophagus cancer.

He was preceded in death by his parents, Morris and Ruth Cohen., his sister Linda Warner (and husband Rick and nephew Jon), and half brother Charles Starry.

Survivors include Linda, wife of 46 years, and brother Robert Lee of California. Brother in law Steve Bogol (Cindy), and sister in law Patty Gaugler. He retired from Yale Electric (formerly Fluorescent Supply) as a delivery truck driver. He was known for being an honest, straight forward, and a hard working man.

Many servers, clerks, grocery employees remember him as kind and always ready to strike up a conversation.

Linda's favorite memory is his driving the Z28 with his arm out the window, cigarette pack rolled into the sleeve of his t-shirt, one hand on the wheel and "The Good, the Bad and the Ugly" playing on the tape deck.

One of his favorite pastimes was watching old western movies on TV. Dave was an enthusiastic fan of the Washington Redskins and Philadelphia Phillies. Go Phillies!

He loved nature, animals and walks with his wife along the river. He's now reunited with all the dogs, bunnies and birds he loved so much.
