“ I will truly miss all of your stories about country music singers and the many trips you have taken in the motor home. All of which brought so many smiles and sparkles in your eye. I could always tell how much you loved Ken as your face lit up every time you spoke of him. You were so proud of everything he did for you from the moment you met- especially the house he built for the two of you and your incredible family. I hope you're doing a lot of catching up with your husband and Sandy. Until we meet again.. with love. ~ Alicia

“ Grammy you were my world. You taught me so much and I have so many great memories with you, Pappy and Sandy. The world has now lost three amazing souls and I know I will never be the same after loosing you. I hope you are holding hands with Pappy now and smiling with him and Sandy. I love you and will miss you forever.
