“ Aunt Diane was a breath of fresh air when I was a young girl growing up in NJ. She made it a point to be interested in me, and she went out of her way to make me feel special. She was funny and warm...so full of life and love!
When we moved to the west coast and she and Uncle Pete would visit, I thoroughly enjoyed spending time with them and catching up, and talking about old times. May she forever rest in peace. Love and
Prayers to Mark, Mary and Peter, and ALL of the family.
Much love, Patty Maher
