“ Don was a fine and good man. I relish the many years that Don and I worked together at Central Penn Multi-List. We couldn't have had such a successful operation without Don's leadership, dedication and hard work. The membership, staff and board of directors always came first with him. He was also a good friend. Marti and I send our condolences to all of the family and we have made a memorial contribution to the Lustgarten Foundation for Pancreatic Research in Don's name.
