

Edward L. Prettner

July 5, 1960 - May 1, 2026

The #1 message I think of when I think of Ed comes from Monty Python's "Life of Brian," ALWAYS look on the bright side of life! And that is what he did through everything he endured. He never liked to complain although he lived every day in pain.

The next thing was his sense of humor. He was always making jokes & making people laugh even through his cancer journey.

When Ed was younger, he enjoyed being outside at the beach swimming & body surfing. He loved riding his bike, kayaking, canoeing, windsurfing and sailing when he could. At home he enjoyed putting around the house, working in his garden and relaxing with his family & pets by his side.

I'll love you forever.

Your loving wife,

Jerri

“ I'll always remember a family gathering many years ago. A cousin (Esther) asked rather ingenuously how our grandmother was doing. Ed replied: "She's Okay", and then changed the subject. In fact, our grandmother had passed about a year prior to the gathering. Ed: I'll miss your dry humor, and I'll love you till the end of time.
Your cousin, Larry
