“ *Although I never got to know her as well as I would have liked to she struck me as sweet, intelligent, proper, and so much more. She reminded me of a great aunt of mine who came from the same generation. She was a lady through and through. I am sorry for the O'Donnell family's loss. I know she is happy now with everyone she loved who went on before her and probably playing the piano and singing her favorite songs for everyone. Farewell Betty and as they say in the Coast Guard and Navy, fair winds and following seas now that you have crossed the bar.*
