

## Fagan E. Quinn

December 9, 1985 - October 14, 2021

Fagan E. Quinn, 35, of Camp Hill, passed away on Thursday, October 14, 2021, at UPMC West Shore Hospital, after a fierce 10-month battle with Stage IV Melanoma.

Born December 9, 1985 in Harrisburg, he was the son of the late Shawn E. Quinn and Jane M. (Horchler) Berzinec. He was a 2004 graduate of Cumberland Valley High School.

A phenomenally talented artist, Fagan spent his career forging friendships and creating art on skin, most recently at Mermaid's Mark Tattoo Parlor, Mechanicsburg.

In addition to his mother, he is survived by his brother Teague Quinn of Shiremanstown, three uncles, Shea Quinn of Shiremanstown, Jim Horchler of Steelton, Joe Horchler of Camp Hill, three aunts, Kerri Steele and husband Irv of Landisville, Kelly Quinn Manning and husband Mike of Camp Hill, and Tammy Schreffler of Mechanicsburg, grandmothers, Loyetta Quinn of Camp Hill and Patricia Horchler of Lemoyne, and several very special cousins, James and Kelly Steele, Joanne Steele, Justin Steele, Piper Quinn, Sydney Manning, Sophie Manning, Erika Jackson, Laura Horchler, Greg Schreffler, Ashley Avila, and Andrew Horchler.

In addition to his father, he was preceded in death by his grandfathers, William

Quinn and Clement Horchler, and an uncle, Larry Horchler.

Fagan was faced with much adversity in his 35 years. The loss of this father when he was just 9 years old, a life changing diagnosis of Type 1 Diabetes at 11 years old, and most recently his cancer diagnosis, and yet he remained a kind and genuine friend, a rare and beautiful soul, and an amazing human being.

We have been overwhelmed by all the heartfelt sentiments shared by his many friends, fellow artists, and clients, all of whom he treasured. Fagan fought a very private battle with cancer that he didn't intend to lose. He fought until the very end. He didn't mean to go without saying goodbye.

Friends and family are invited to Lovedraft's Brewing Company, 165 Gateway Drive, Mechanicsburg, on Tuesday October 19th from 5:00PM until 8:00PM to gather, remember, and celebrate the life of one who left us too soon.

Memorial contributions can be made to Char-Will German Shepherd Rescue, P.O. Box 132 New Ringgold, PA 17960.

“ *.It has been years since my husband and I have seen Fagan, but he remained a good friend of my son Ryan and his wife Halie. Our thoughts and prayers are with Fagan's mom, his brother Teague and his extended family and friends. You all have our deepest sympathy.*

“ *I was fortunate enough to spend several hours per month in the chair with Fagan for about a year. He and his friends are far my favorite I've made during my travels. His friendship meant the world to those that had it and his memory will not soon be forgotten.*

“ Fagan, where to start, my brother and him would hang out at the house, skateboard, play the guitar and do Nemours other things, ill always remember r beach trip, even though u scared the crap out of us all, your drawing were something I wished I had the talent of, it was out of this world, it was a talent that left others speechless, we always told you you should be a tattoo artist, your guitar skills were at the same level , they left others wondering how the hell one could play the way you did. Your personality was untouchable, you were always a down to earth person, I made sure I sat in your tattoo chair, and had u do your thing , I wanted something simple yet meaningful with my sons name, never forget u asked did I eat, I said nope, he said well here is a jolly rancher . I was hoping to get more work done, hopefully when we meet again you have some crazy thing drawn up for me. Everytime I look at my tattoo I will think of u. Thank you for the memories, I'm so grateful to have met you. Love Adrienne Burtner Strausser

“ I met Fagan in 9th grade and we had a couple of classes together. He was quiet but kind. And always seemed to be doodling or drawing something. I remember catching up to him a few years later and we talked about ideas for a tattoo. And even ran into him at a show for a local band. Unfortunately we ended up losing touch but I'd see him through posts from mutual friends. And always hoped he was doing well. I'll cherish the message he wrote in my yearbook. A drawing of what he said was himself and the last line that said “Farewell, Fair Maiden” Farewell to you gentleman. You certainly left a beautiful mark in everyone’s hearts. My deepest condolences to his family and friends!
