“ I am so sorry to hear that Uncle Fred has passed away. I had the pleasure of staying with him and Louise for a week when I was a teenager. He was so welcoming and was so excited to show me his prized Corvette. I don't think I thanked him when he was suddenly woken up at 6am with a knock on the door when my lost luggage was delivered with no notice. He had no idea who could be knocking at that time in the morning and we had a laugh about it later that day 😂. He didn't even wake me up, he just let me sleep and handled it all with the courier. Sending so much love and hugs to his beautiful family. I'm sure he has now found peace in Heaven's embrace xx

“ Prayers and our sincere condolences to the Dailey family. He was a friend and high school classmate. We've laughed and joked with each other at reunions and get-together over the years. He was an insightful and thoughtful person and I'll never forget our friendship or the fun we had growing up.

“ Prayers and condolences to the Dailey family. Fred was such a joy to work with....a true gentleman! We had a lot of laughs, especially when he got on the wrong bus leaving HIA. So, he got off the bus, called his wife and was standing in the rain and I noticed him when I got to the red light. I pulled over and made him get in the car and wait instead of standing in the rain. Whenever I would see a fancy or old car, I'd take a picture and come back and show him. He loved seeing my cousin's car at Kuppy's Diner car show. Heaven definitely received an angel!

“ I would like to send my prayers and condolences to Freds family. I worked with Fred at HIA. I would share the stories about how I would try and keep up with the grandkids. We both would laugh. I will miss his laugh, but I know that he is smiling in heaven.

“ *My condolences to Fred's Family on his passing. I worked with Fred for several years at the airport and always looked for his voice saying "Helllllooooo Bobbbb" in his deep voice. We are both car nuts and frequently talked about our preferences. He is someone I will continue to miss.*

You have our sympathy. I have so many good memories visiting your home for parties and going with Fred to sport events. May all of our memories be a blessing.*
