“ I was just made aware of Gary's passing this evening. I have a favorite hilarious story to share with his family/loved ones sometime. Hoping for a chance to do so.
Rest in peace dear smiling soul.

“ I would like to extend my heartfelt condolences to the family of Gary Leedy. I was Gary's case manager at CMU for a short time. Gary truly had a good heart. He would help anyone and give his last to anyone who needed it. Gary had begun to change his life and work hard to do better. It is unfortunate that was called home before he could see his full potential. I offer the family my prayers and well-wishes during this sad time as you begin the healing process.
