“ *Hard to pick a memory though I remember how he would come home from work see Lisa then change and go referee or officiate a game of High School Kids. He always loved His family especially his ray of sunshine, Lisa.
Also I know he loved Shirley, his love of his life and spending his golden years with.*

I offer my sincere condolences to George's family and friends. I have fond memories of working with George when I was the athletic director at Littlestown School District (1972-83). George was always pleasant and gracious.
