“ *Gerry was a wonderful neighbor of ours for 29 yrs. When I had our first son, Christopher, (1981) she was one of my nurses at Holy Spirit. It was she who first noticed my fever was too high, and called my Doctor. I was in the hospital for 11 days, and I remember Gerry and all the nurses were calling my baby 'the old man of the nursery' because he was there so much longer than all the other babies. She was a hard worker; I remember being so happy for her when she could retire.*

Gerry was always kind and helpful to us. We had many, many conversations in her living room, just talking about life, people, pets, etc. Whenever we would complete a home improvement project, she would come over and check it out and tell us 'very nice'. She will be missed !!!
