“ Jeff and Rosanna: Your mom was such an important part of my mom’s life as her close friend and wonderful secretary for so many years. She was always cheerful and ready to help everyone. I cherish my memories of strawberry picking, gathering eggs and visits to both the farm and the home in Wormleysburg. I remember how excited she was to show us the renovations that you had done on your house. You took such good care of her. Sending you love and sincere sympathy.
