“ My name is Gordon Brinton Jr. and my grandfather was Glen Brinton who graduated from Mechanicsburg High School in 1951 and passed away in 1981. Growing up, I was told that my father Gordon Brinton Sr. (Glen's child) got his first name Gordon from a family friend. Just recently I was looking through some old family documents and noticed on Glen's resume in the Personal References section that there is a Mr. Gordon Deckman who lived on 4048 Lisburn Road in Mechanicsburg, PA. I believe that this is the same person who was friends with my Grandfather and may be the reason I have my name. I just wanted you to know this.
