Guy was born in Elmira NY, lived a full life in his short 70 years with us. He was 1 of 9 siblings & he loved cars, motorcycles, and was a tremendous dog lover. He moved to Carlisle PA in 2021 to be closer to his son & family.

Guy was a retired professional truck driver, a longtime member of the Moose lodge & American Legion. He loved spending time with his dog Angie who was his best friend for 14 years. You never saw guy without his Angie.

He is predeceased by his Father & Mother Gerald & Eleanor Kennedy of Pine City NY, brother Dilbert, and Nieces Linda and JoAnne.

He is survived by his Son Ray Hoskins (Wife Beth and children Kaden & Brittany), Son Frederick Hoskins (children Ashley, Brandon, Faleasha & Kaitlyn.), son Shawn Devericks (Wife Brenda and children Lavanna, David, Bobby, Patricia, Sabrina), son Jason Devericks, stepson Russell Devericks, stepdaughter Cheryl Milton (child Anita).

His Siblings: Harry, Kenneth, David (jr), Joyce, Mary, Arvilla, Geraldine, and Irene (And many Nieces & nephews)

Guy also has several Great Grandchildren – Noah, Sofia, Savannah, Blaine, & Harley

Guy is also survived by his special Friend Becky who he was looking forward to spending a lot more time with, a wonderful relationship cut way too short.

Guy did not want his friends & loved ones to be saddened by services, he requested that we all have a nice meal & remember him in our own way.

“ I remember when Uncle Guy would pull Fred, Ray, and myself around Grandma's field using an upside down hood tied to his hitch in the snow. Great times, great memories. I was glad that we got to see him a few months prior to his passing. I miss you pal. Until we meet again.....

“ My little brother Guy, we had good times and bad times, but we always knew we loved each other and could count on each other no matter what. Each time we talked we would reminisce about our lives growing up. He loved his cars and his puppies. We always tried to call each other every week, those calls will be missed greatly. But now he is in heaven with all the family we have lost, especially his Mom.

“ My brother Guy! My Big brother was 7 years older than I. One of a kind. Head strong- honest and blunt. Yeah, as my brother - he always had an ear to hear and listen. Not trying to take control, but being a true friend. I could tell a few stories of only positive memories, but those will be between us. I loved my brother and knew he also loved me . We lived our lives, and now he knew his creator, now he is spending everyday walking in heaven- telling his jokes and making his mother laugh, still loving all of us . I want to Smile as we honor his memory of a life well lived .
