“ I have been doing Gwen’s hair for the last 5 years or so, I am SOOOOO SADDENED to hear of her passing! Gwen was so full of life, she always was a treat to spend time with (especially when she made me do crazy colors on her!)

“ The memories that I have of my sister Gwen are so numerous. When the family would get together you always knew when she got there. When Elvis made his name in the music business I always had to listen to You Ain’t Nothing like a Hound dog and Jail House Rock every night for quite a while. She thought me how to jitter bug by watching Dick Clark on Saturday morning. I didn’t walk at an early age because she would either get me what I wanted or get me out of the play pen and carry me around. Is someone was picking a fight with me she was the first one there. My protector. I have my stories and my memories with her and our parents. They are my cherished memories. Until the day we met again. I Love you my dear sister ❤️🙏😭💔RIP
