“ I first met Jim many moons ago at Dickinson College's snack shop, where he was enjoying a tasty looking glazed donut, and we were friends throughout our respective stints at Dickinson College and the Dickinson School of Law, and beyond. That is a perfect picture of Jim, contemplating both the origins of the universe and when he was going to watch the next re-run of Seinfeld. I am glad Jim is now at peace, and I suspect he is probably hanging out with Chuck Steiner right now and having a nice cold beer, or two. I will miss him.
