“ To the wife, children, and grandchildren of Jim....I want to express my deepest sympathy to all of you as you mourn your loss. Jim was so dedicated to his trade and was always there when you needed him the most. He would stay on the phone with me for as long as it would take to figure out IT problems and would stay to the end until he figured out the problem. May you have many wonderful memories to help you as your grieve your loss. My most sincere condolences...Diane Loverich from Community College of Beaver County.
