“ *David, Chris & Kerry -
This must be a very difficult time. Your mom was a terrific woman
and we shared great times while working together. She has never
been far from my thoughts and memories. Our trips to Omaha
unforgettable.
All of you will be in my thoughts and prayers. I wish you all peace.

*I second Gigi's thoughts. I always loved going to work and talking over
the cubicle wall to her! She helped keep me sane back then. She will
be missed so terribly.*

“ *Kerri, Chris and Dave,
I'm sorry for your loss. Your Mom was a great lady. I will always
remember the hours we spent at the restaurant working to make it a
better place for the locals and travelers to get a great meal.
