“ Jan and I grew up together. She was 2 months older. We went through grade school together, I'd wait for her and we'd walk to and from school together. We went through Grade- Junior High and Senior High. She'd call several times a week. And talk for hours. She's said for years, when she passed she wanted to walk through cool grass. I hope you are walking now, Jan!!!! It's still so hard to believe your gone. You will be missed.....Blessings 💜

“ If only I could get more time with you. I will miss you so much! Thank you for teaching me all the things about putting on makeup and being glamorous. I will cherish those childhood memories forever. I promise you I'll take good care of Chloe. Until we meet again. Love you

“ I am a dear friend and have know Jan for so long from working with her at the credit union. We have been friends forever. Our phone calls of late will be missed. I prayed for her so much. She has touched my heart many times. I loved our friendship so much.

God bless. And now she can be with her mom and our Lord.
