Jason was a beloved brother, friend, and son. Jason was born on April 28th, 1989 at Harrisburg Hospital and grew up in his hometown of Camp Hill, PA. Jason attended Camp Hill School District and enjoyed various hobbies and activities such as soft ball and art. Jason was an avid drawer and painter. Jason loved reading and writing poetry. Most importantly, Jason's biggest passion in life was music. There would never be a time where you wouldn't hear music be playing in the background, Jason singing, or recommending a song he would "love for us to hear." Besides music, however, the most important thing to Jason was his family, friends, and of course his dog, Mason,

which whom he loved dearly. Jason was an amazing person and the love he had for people and the love he had for God, no one could ever deny. We pray that Jason has found peace in his pain and freedom from his sorrow. I know Jason will be welcomed with open arms with all who departed before him and he will never be alone again. May Jason find everlasting love in God. Until we meet again Dear Brother. "Goodnight, We Love You, God Bless You, and Sweet Dreams."

A memorial service and celebration of Jason's life will be held on Saturday August 3rd, 2024 from 1:00pm to 3:00pm. Officiating Pastor David Di Raddo will be speaking on behalf of Jason around 2:00pm.
