“ *The world is a bit dimmer now without you and your shining light that would brighten any room you walked into. You always gave more of yourself than you asked in return. You were always so full of hope regardless of adversities you were facing. Just thinking of you brings a smile to my face. Knowing you are gone is painful. I wish I had one more chance to talk to you. To say thank you. To say you are so special. To say goodbye. You will be missed. I will always love you my friend.*

May your family find comfort in knowing you are watching over them.

“ *Jim and I were so very sad to hear of Jeff's passing. Both Jeff and Janet helped Jim so much when he was just starting out in his 20's and it was never forgotten. We regret losing touch after they left NY. Of all the people I've met Jeff was one of the Kindest and just the best. Rest In Peace Jeff, you will be greatly missed but will always remain in our hearts and life memories. Our prayers are with Janet, Sara, Jeff Jr and his entire family.*
