

## John D. Jacobs

March 12, 1934 - February 17, 2025

John (Jack) D. Jacobs passed away on February 17, 2025 at UPMC Harrisburg Hospital at the age of 90. Born on March 12, 1934 in Boyertown, PA. and raised in Pottstown, PA., he was the son of the late John and Pearl (Fryer) Jacobs. He was pre-deceased by his sister, Joan L. Jacobs, who lived in the Wyomissing, PA. He was a graduate of Pottstown High School in 1952 and graduated from East Stroudsburg State Teachers College in 1956 with a degree in Chemistry. He later went on to receive his Doctorate in Chemistry from Penn State University and enjoyed a long and distinguished career as a Chemistry Teacher at Susquehanna High School. He was an avid arborist, had a passion for gardening, and enjoyed cooking for friends at Holidays; having them over for a Pig Roast. He was a good man, will be remembered in his old neighborhood and by others.

“ As an adjoining neighbor, Dr. Jacob's gave me a tour of his backyard. It was like a mini Longwood Gardens with different trees, flowers and bushes. Beautifully done and maintained daily, his garden was something to be admired, as I did him. Rest well, neighbor!
