“ Aunt Betty,
Alan and I send our deepest condolences on the loss of your amazing sister Kathryn. What a wonderful long life Kathryn had! Kathryn was a very special lady who always had a smile and lots of laughter whenever we came to visit. Oh the fun times over the many years (45 years) - from playing cards, going to Bingo, visiting all of the wonderful places that PA had to offer when we came out from California and of course the love of shopping! So many fond memories of our visits, but it was so special to be there for Kathryn's 100th Birthday Celebration (five years ago) and then this past year for your 100th Birthday Celebration! Those "Saul" Girls- AMAZING SISTERS!!
Kathryn will always be remembered in the hearts of so many!
Love & Hugs,
Michele Bennett & Alan Sandahl (your family from Simi Valley, CA).
XOXO

“ Bill and I became acquainted with Kathryn in her later years through our good friend and Kathryn’s sister, Betty. We found her to be witty, charming, sweet and smart. A fond memory is when we played a trivia game at our home. Folks of all ages were playing, but Kathryn was the only one of us who knew the correct answer! ! Her mind was still strong at age 105. We already miss you but we know you are pain free and happy! Rest in peace Kathryn. Love You, Bill and Linda

“ Kathryn was always so sweet to me. I treasure the memories I had with her when we visited Pennsylvania as a child. She was with us the whole time, always laughing and playing games of all sorts. I am so happy I got to see her one last time a couple years back. It was as if all that time had not passed. She was just as I had remembered from my childhood. So sweet and full of laughter. She was an amazing soul that I hope to see again one day. I love you Aunt Kathryn.
