“*Larke was a beautiful woman beginning with her name. Upon first meeting Larke, on the bus, taking us to our first day at Faust Junior High School I remember her smile and sense of humor. Through the years she helped planning our Class of 68' reunions or catching up with her whenever I shopped at the Bon Ton. Larke's friendly disposition remained the same throughout years gone by. I send her family and friends condolences on behalf of myself and CASHS Class of 1968.*

“*Larke was a loving wife and friend. She adored Tony She loved travel. She was gifted in many things like cooking, baking, jewelry, crafts, gardening. Larke loved life and meeting people. Her greatest passion was Tony. I miss her. I wish she'd have let there be a memorial Noah the stories we would all share. Love and condolences to you all*
