Our sincerest sympathy on the passing of your dear mother. She must have been a wonderful lady with the amazing children she raised and the love and life from them and the grands and great grands. May her passing be for a blessing as you remember and cherish the wonderful years you all shared with both of your parents and they together.

Linda was more of a dear friend than a sister. She had a good and sharp mind. She was a very kindhearted person who dearly loved her family and friends. She worked hard to take of those she loved. I look forward to seeing her in the next world.
