“ Where to start? How about at the beginning when we met? You applied for a job and this snot nosed kid told you she would need to have you take a typing test!?! 40 plus years of laughing over that one! You were there when Mike and I got married and you were there when I buried him. Until we meet again I will miss you my friend. Love Debbie

“ I’m so sorry to hear of your loss, but I know Loretta is now breathing perfectly and resting in the arms of her Savior, Jesus. Loretta was a bunnypeople foster many times and we became good friends during that time. She’ll be truly missed. My thoughts are with you.
