“ I was a student she often knew and I probably annoyed her a lot throughout elementary. But when I get to middle school, she never failed to put a smile on my face. One day I saw her going into the office and I asked her if she was leaving and she said no, her day isn't over yet or there wouldn't be a nurse. That same day, I went into the nurses office and she made her own comment about how I was lucky she didn't leave early that day... I will always miss her. She helped make me into who I am today and for that, she will always remain in my heart <33

“ As a former spoiled frequent flyer to the nurses office, my family and I were blessed to have a relationship with her and her family outside of school. She will be very missed. I will miss our traditions, her baked goods, her humor and our texts. As a child she was my advocate and as an adult she was my friend. She will be forever missed.

“ *Mrs. Dougherty was the school nurse at my child's elementary school and even went to the middle school weekly. She was always wonderful and sweet to these kids. My daughter loved seeing her as she was one of her favorites. Luann will be missed by so many. My thoughts and prayers are with her friends and family.*

“ *Luann was one of my most favorite people! She was my Mom's best friend throughout my whole life. I can remember so many fun times as she would come to Port Allegany to visit her parents and even her visits after they passed. We spent many weekends at her house doing all the fun things that came along with it. We spent our summers outlet shopping and having cookouts. We adored her daughters more than ever and always had the best laughs. She will be missed greatly and I will forever cherish all the memories we shared.*

“ Keri was my dear neighbor across the hall from me at Green Ridge. Wonderful times. ❤️ When I was going through a tough time, Keri's mom made me a beautiful blanket. She didn't even know me at the time, and I thought that was the sweetest and kindest gesture for her to make me a blanket. What a loving woman. ❤️
Keri, I am praying for your mom and your family. I love you my friend. ❤️

“ I am shocked, surprised and saddened by this news. Luann was always very kind and helpful towards me. We had a nice friendship and she even shared her Christmas cactus with me, along with many of her baked goods. She will be greatly missed i'm sure.

“ I am left speechless with this news. Luann was my summer buddy where we would hang out at pool. Loved her quick wit when sometimes she'd leave me without words. Woman could banter with anyone. Erin and Keri I am so very sorry for your loss. Erin, please give your kids an extra kiss from me as I know how much she adored them. She was always telling me stories about them.

“ I’ve known LuLu since I was about 10 years old. I was always drawn to her and her daughters Erin and Keri. Her daughters were life guards at the pool I would religiously go to by myself and with my family. I remember going up to her house all the time to hang out with her during the summers and spend time with her daughters too. Lulu had the best personality and always kept you on your toes. Lulu was nothing short of the best. I’m going to miss her witty spirit so much. 💔💔👍

“ You will be missed, my friend. I knew you were someone I could count on. We had many wonderful talks. I really appreciated you giving me a lift to Pinchot Park so I did not have to ride a school bus. Rest easy Luann.

“ LuAnn gave so much of herself to the Washington Heights community, first as a PTO mom, then officer, then as a school nurse who cared for our kids with a calm and steady approach. What a loss to West Shore for this tragic loss of a faithful employee and friend. My gratitude to Erin and Kerry for sharing their mom, with sincere sympathy for your family during this very difficult time.

“ *She was a school nurse in my kids' school and all I heard was she was a very nice and caring lady. My daughter was so heartbroken when she heard about the news and cried herself to sleep as soon as she got home from school today. I cried with her even me not meeting Ms. Luann. The past 2 years my daughter's having problem with her health (anemia and GERD) those past 2 years she often visit the clinic and that's where Ms. Luann and her got close. My other son was also talking about Ms. Luann earlier how she cared we he had pink eye and when he hurt his left leg. He said she will always offer help and snack. My kids will truly miss her. I hope and pray that the family will get through this hard and sad situation. We will miss you Ms. Luann!!! Thank you for your hard work, dedication and love for the kids. You will never ever be forgotten. Fly high 🙏*
