“ I have many fond memories of spending time with Aunt Marian as a little girl. My mother and sisters would spend the day with her and her children at Reservoir Park, take a walk and have a picnic. Then go swimming at the Penbrook pool. Then Dad and Uncle Ken would come home after work and we would all have supper. Yes, she usually had a smile.

“ Marian's greatest legacy is her family but also the laughter. You always knew there would be laughter when in her company. She is a life well lived!

“ Aunt Marion was the sweetest person who always seemed to have a smile on her face. She always remembered my birthday with a card long after I became an adult. May you find comfort that this angel on earth is now an angel in heaven guaranteed.
