“ To the family of Mary Ann Fink,  
As a representative of the York Suburban High School Class of 1974, I want to send our sympathies to you on the passing of Mary Ann. A classmate and good friend of Mary Ann discovered the sad news just a few days ago and shared it with the rest of us. We will be celebrating our 50th class reunion in August, remembering all the classmates we have lost through the years and thinking of their families. Since Mary Ann and I shared last names that started with the same letter, we were in the same homeroom through our high school years and walked together in our graduation ceremony. May your cherished memories of Mary Ann bring you peace and comfort... Beth
