“ Aunt Mary was the first family member that I introduced Lori to when we just started seeing each other. She made her feel right at home from the get-go. She was a very warm hearted person.

Prayers up for Ronnie, Mickey, and Chad.

“ I could write a book about my adventures with my best friend Mary. .we went to school together, went to Putman's store and she bought me Cho Cho's and put it on her Mom's bill. She got us in so much trouble with her adventurous antics. I introduced her to her husband Ron, and we both married twins. we went on bus trips, were always there for each other. she was in the delivery room when my son Richard was born at the Polyclinic Hosp My car always knew the way from my home to hers. She dearly loved her boys and was a loving Mother and friend. Rest dear friend with your Mum Mum and Mother and Dad. Love Fran
