“ me and lily were best friends, we made worked together and after work we would go home and make music together, lily was always on my side before she was on her own. i believe her to be in a better place, and sometimes i feel her watching. this song has been taken down but here is a private link if interested, <https://on.soundcloud.com/VqXPR9WKeTLy4MEzHs>

“ To Lewis, Jennifer and Maya. I'm Tully sorry for your loss. I am also sorry that I didn't find out about your loss until a couple hours ago. I will always look back with a smile on the many good times with Mason/ Lily. I'm happy that we were able to reconnect before the end. Your family welcomed me and treated me kindly. From Rogers Forge to Towson High School.

Yours sincerely

“ *Too few memories of this young soul but their father Louis is a wonderful Gardner and we will always treasure sharing both bounty from our gardens as well as secrets of the soil. Our hearts ❤️ are breaking along with everyone else's, though now there is one more voice in the sky to find in the music.*
