“ Dear Family,

*Your mother was a good friend of Velma & I going back to when she was in Lemoyne high school and a member of First Christian Church. There were three young girls ( Marianne Legoe, Nancy Legoe, Shirley Willis) who said if we had a baby by mothers day of next year they would give me a corsage to be worn on Mothers day. Well their challenge came true and our first daughter was born they bought the corsage and I wore it. This is part of a long friend ship of over 70 years. By the way we were all Choir Members at Church. Your Mother and I sang in the Grantham Oratorio Society for quite some time. I don't know how many years she sang in the Oratorio before I decided to join the group.*

*Frank & Velma Hughes*
