

Nanita A. (Staley) Black

May 11, 1948 - May 12, 2020

On Tuesday May 12, 2020, Nanita (Nita) Anne Black went home to be with her Lord and Savior while at Carolyn's House – Hospice of Central Pennsylvania. She was born May 11, 1948 in Mechanicsburg, Pennsylvania. She was a 1966 graduate of Central Dauphin East High School and went on to earn her Bachelor's degree in Biology from Shippensburg University in 1970. She is survived by her two children, Shiloh and Brandon.

Nita spent her life devoted to God, her children, and her pets. She was an avid gardener and spent much of her free time tending to her flowerbeds. She was known for her dry sense of humor, extremely candid nature and compassionate heart. She will be deeply missed and will continue to live on in the hearts of those who love her.

Due to the current pandemic and her burial wishes, grave-side funeral services are not being held, however a Celebration of Life will be planned once social distancing mandates are over.

The Musselman Funeral Home is Honored to Serve The Black Family. 324 Hummel Avenue, Lemoyne, PA 17043.

“ Even though Grandma Staley was just a bit skeptical of heaven since its "streets are paved with gold" and she wanted her beloved trees, shrubs and flowers to greet her, I have no doubt that your mom and grandma are digging and planting up a storm in glory! So very sorry for your loss, Shiloh, and I have been praying for your peace and comfort at this sad time. Jeanie Wiseman Crowl

“ I'm not quite sure how one obituary can cause a LOL moment, but this one did! Nita was everything described and more. Deeply devoted to her children and she tenaciously lived her life with a 'shoulder to the plow' attitude! She was one in a million and I will dearly miss her. Well done my amazing sister, well done! ❤️🌟
