“ *My Dear Cousin You were always in my heart and prayers. Now God had chosen you on your resting day to return to Him in His Heavenly Kingdom.*

This is your cousin Letty who had babysit you and all your siblings when we were young children

I use to have to wipe your runny nose. But I enjoyed all the times we had so much fun at all the family reunions. When pappy and grandma was here on earth. Now you had joined our family. One day all on Gods perfect timing,

I shall see you again. This time it will be for ETERNITY..

Rest now my cousin, I love you and keep our memories in my heart.. I love all my cousins may God place peace and comfort to each heart.

*Love From
Your Cousin

“ Dad,
I hope that as a daughter I made you proud. I have always tried my best to be a good person in this world no matter what life throws my way.

You were my go to person when I needed anything and I just really appreciate how every time I needed something I knew I could just pick up the phone and call you. I am going to miss that but most of all I am going to miss you. I wish there was a way I could've fixed this for you. I wish that you had more time in this world but I do believe in God and I believe that you are in a much better place where there is no sickness, pain and hurt and I pray one day we are reunited up in heaven. I love you so much! ❤️
