Dick was a member of Harrisburg Snyder Lodge 629 for over 60 years.

Burial will be private at Rolling Green cemetery.

A celebration of Dick's life will be held for family and friends at a later date. To honor Dick, please consider making a donation to the Ageless Aviation Dream

Foundation (agelessaviationdreams.org), which helps veterans in long-term care communities fulfill their dream of flying. In August 2017, Dick's family watched him fly in the open cockpit of a restored Boeing Stearman biplane. This was the same type of plane in which Dick learned to fly during his military aviation training. He was thrilled to be in the Stearman plane once again, but complained that the pilot took control of the landing.
