“ *Maria and the Farabelli family it is so sad hearing of Rita's passing. Rita is free and flying with the Angels now. Rita and I have been friends since 4th grade and there are so many memories I don't know where to begin. We laughed, we cried and just smiled at our friendship. I remember when the Andrea Dora crushed and Rita's parents went to NYC to meet her grandparents that were on the ship. They left Rita and I in charge of the younger children..oh what fun that was, I still smile thinking about it. Rita you will be in my heart till I'm with you in heaven. My prayers for strength and comfort during this difficult time. Mommy will be as close as your heartbeat Maria. Love you ❤️ Deanna*
