“ Jen and family,
I am so so sorry for the passing of Bob. My heart truly breaks for all of you. In the past 20 something years we became friends. Between Bob and Anton not too many things in the neighborhood went unnoticed. I think what I'm going to miss the most this summer is the yelling back and forth to each other to talk gardening and a lot of other things. I guess I won't really feel the hurt 100% until I don't see him sitting in his chair on the side of the porch when the weather breaks. You will really be missed Bob.

“ I was privileged to know and work with both Bob and his mother "Dottie". I was at the Oberlin center and then moved to the Wormleysburg center when Bob was hired to work in the CAIU warehouse. He was a wonderful young man and got along well with all staff members - so sorry to hear about his passing. May you find peace in the memories and comfort in the support of family and friends.

“ Dear Jen, it’s so hard to grasp all that has taken place since life changed so drastically last May, along with everything you & Bob had endured together on his road to recovery. My heart aches for you & the family at his passing now that this painful battle is over. But what will always remain are the forever memories of a big guy with a big heart & big smile to match that will always be fondly remembered. I especially recall getting a happy wave hello from Bob each morning as he drove out of the CAIU parking lot, and also being the sweet gentleman he was, racing to open the warehouse door with a cheery smile. Jen, it will be hard to adjust to life without him, but always remember you are surrounded by family & friends who are there for you & how much you are cared about & loved. May the peace of Jesus bring you ongoing comfort & strength in your days ahead. Hugs & prayers, Deb Evans 💕🙏
