“ *Bob was a special kind of man and he's missed everyday. He loved my grandma dearly and that meant a lot to our family. We love you, Bob.*

“ *Bob was a great step dad to me. Always joking around with each other, he always worried about me and my husband. If I needed help with something he was always there. I'll miss our jokes and making my mom Roll her eyes at the silly things that came out of our mouths.  
Rest easy, Bob. Until we meet again.*
