“ Kathy, so sorry for your loss. I'm not sure your dad told you, but my father was also in the same rehab as yours in Carlisle for a short time. Your mom had recently passed, and I think your dad was lonely while my father was also struggling. We got the two of them together and they had a great time talking of the old days. Your dad was a God send for mine and hopefully my dad gave some companionship to yours. While I will be unable to go to the service, wanted you to know I have your family and dad in my thoughts and prayers. Gary Quigley
