I will remember my brother-in-law by the stories he shared with me when he came over to visit my baby sister. Oh, he told me some stories too. Cups of coffee I made and brought down to him while sitting outside on the porch with Ida and I. Thanks Samm

Samm, you're now free from all the hassles, The night God called you home at 9:12 pm on May 29th, 2018 I knew that was a sign from God that he called you home and the moon bright shining light guiding you up the stairs of heaven I love little chats...thanks for being honest with me...sharing the truth with me about the night Mom-ma died. I would always appreciate that conversation we had and the truth you shared with me. Now go and Rest In Peace! Above with your family who went before you. You'll be missed for sure but the memories you left behind and the heartprints in Ida's and I heart we'll always treasure.
