“ *Cuz Sharon, you were the absolute best!! You had such a sense of humor and you were a true inspiration to me with the tough battle you fought. There was never a conversation where you did not talk lovingly about your family and all four of the kids. You were sooo proud of them all!!! What I will remember most is how easily, in a normal conversation, you would express your love for me, your family, and life. It just flowed soooo easily from your lips. You were a true delight!!*
