“ *My sincere sympathy is with the family and friends of Sherry during this difficult time. Sherry was a wonderful lady. I first met Sherry at Hooverville Elementary School as a classmate in the third grade. Later we had memorable times at Central Penn Business School. Sherry was so generous helping me with my Accounting classes. There were many fun times at Central Penn. Over the years we would touch base from time to time. Years have a way of passing quickly. Thank you Sherry for being my friend.*

“ *Many memories of things together. Church camp bunk mates, coworkers at Camp Louise, Job's daughters, singing together in church, Central Penn roommates, first apartment on our own together, in each others wedding, our children close in ages and yet we thought there would be more. We thought we had more time. But it seems growing old is not going to be together. You were always there to help me and to listen. I will miss you dearly.*
