“ It is with great sadness that I am writing this. Stephen was the kindest most amazing person I have ever had the pleasure of knowing. I will miss him so much. I will never forget how he was always positive and upbeat even during adversity. Stephen was a wonderful resident and friend. Even though we aren't supposed to get close it was hard not to with Stephen. He was so kind to my son and he always asked how "the little guy" was doing. I am going to miss Stephen so much. His passing has left such an empty place in all of our hearts.
