“ 413 days since I last saw you, hugged you, felt your love. I miss you so terribly. I cannot even get the words out. It's simple. Life isn't the same without you. I will forever miss you. I love you.

“ SO many grand things are happening that I wish you were able to be apart of. I do know that you're looking down on us, somehow, that just doesn't feel like enough. I wish I could hug you, speak to you, feel your strong love. I miss you so much it hurts. I thought that as time went on it would get easier; I was wrong, it becomes more difficult. I just love you and cherish all the memories and years we spent together. I am broken without you. We all are. Pretty soon, it'll be 9 months. How? How is that even possible? I just wish you were here. I love you Daddy.

“ I just ordered a memorial decal, Dad, for my van. I love and miss you. It hurts so badly. I know you are so happy being with Jesus, that's the only thing that gets me through. Not a day goes by where I don't feel the pain of losing you. The boys too. Please look after Mom, she misses you terribly. Until we meet Daddy...

“ It just doesn't feel like it's been six months. I miss you everyday of my life, so do the boys. We talk about you often, cry often, and smile often. The little bit of time you had with my boys has made such an impact, as they walk around with your famous "eat, sleep, and be strong" affirmations. I can't describe the void we all feel and the loneliness that has crept in with you gone. These past six months have flown by. I pray you are happy, healthy, and living your best life with Jesus and all of our loved ones. Life has been very different without you in it. I miss you so much it hurts. I love you, Daddy.

“ It has been a month since you left my life. There isn't a day that goes by where I haven't thought about you. Life is not, nor will it ever be, the same without you. You weren't only my Father but rather my best friend, too. How do you live without your best friend? Answer? You don't. You just hold onto the memories you and I have made and try to make it through each minute of everyday. I am lost without you, Daddy. I love you and I hope that you are free from all sins and loving your time with our Father. Man, does life totally suck without you. Love always, your little girl. I will miss you for forever.

“ Our hearts are truly brokenhearted this evening, as we just were made aware that our good friend, neighbor passed away. He was like family to us when we moved into the neighborhood. He was always there to help us, and we always enjoyed his company. His devotion to the family was most admirable. It was folks like Tom that made leaving the neighborhood hard. We will miss him greatly. To Gerrie, Linda and family, we are truly saddened by this news. We will be keeping you all close in our hearts and in our prayers. May the peace of our Lord Jesus be with you.

“ Sorry for the loss of Tom, He was a cousin that would share many memories from our childhood. Loved playing drums in the basement of his grand parents home and the usual childhood things kids done in those days. Heart warming friendly person. Good family man that means a lot these days. God Bless you Tom and your family.

“ I was saddened to learn of Tom’s passing. I went to grade school through high school in Tamaqua with Tom and he was always a good friend willing to lend a helping hand. Linda I know from my days as a young kid working for her father Rich Ofak on Saturdays at Anchor Deep Seafood in Tamaqua. Linda and family I send my deepest condolences and will keep you all in my thoughts during this most difficult time. Kevin Startzel, Brockton, PA

“ Words can't express how sad I am for the recent and unexpected loss of my father in law 😞😞😞  
I am devastated and feel like this is a nightmare that I can't wake up from. Thomas Cipko was an amazing father in law and pop pop as the twins would call him. I am truly blessed to have had the time to meet him and have the memories of him in my life. I am even more blessed for the wonderful son, husband, and father he created and brought into this world. Tom you will always be in my heart always and forever and I will continue to be strong for Matt and the rest of the family including Linda Ofak-Cipko we will always be by her side  
❤️❤️❤�😞😞😞🙏🙏🙏 Rest in peace
