

Tina M. Karadimas

June 6, 1968 - June 20, 2021

Our beloved Tina was loved by everyone who was blessed to have met her. Who can forget her sense of style and incredible sense of humor? Her magnetic personality and captivating eyes with her beautiful eyelashes? She was a great mother who adored her two children Tianna and Camron and loved them more than anything in the world.

After falling in love with Harry, and his Greek origin, she willingly converted to the Greek Orthodox Faith and strived to live her life accordingly, always eager to learn more about her newly acquired religion.

Even after falling ill, she never lost her optimism and said that her Mémé had always told her that French women never give up, and she did just that. She fought until the very end, until the last breath she took.

Her determination and strength was an inspiration to everyone. Let her willingness to overcome all obstacles be remembered and her laughter resound in our ears because that's the way she would want it to be.
